

**FY 2015 Volunteer Generation Fund Grantee Fact Sheet**

Name of Grantee	Massachusetts Service Alliance
Amount of Award	\$201,884
Contact Information	Emily Haber Chief Executive Officer (617) 542-2544 ext 228 ehaber@mass-service.org
Program Summary	With support of this grant, The Massachusetts Service Alliance (MSA) anticipates managing 24,000 community volunteers who will serve 144,000 hours of service over the course of the grant cycle with a focus to support youth development programming. The Commission will support organizations at different levels of need and capacity to build their volunteer infrastructure by providing intensive capacity building with 45 organizations through delivery of the Service Enterprise model, offering trainings culminating in a statewide conference on service and volunteerism in order to provide best practices to at least 1,000 staff and community volunteers, and providing grants to organizations to support volunteer engagement activities for National Days of Service and capacity-building to Volunteer Connector organizations to replicate or expand promising models.
